

Elephant

And all the believers met together in one place and shared everything they had. Acts 2:44

Fun Facts & Cool Stats:

- An elephant can hold 3 gallons (11 liters) of water in its trunk.
- Elephants can travel up to 30 miles (48km) a day
- An elephant lives 40 to 60 years
- A female elephant is called a cow, and a male is called a bull.
- An elephant can pick up very small objects with two fingerlike projections at the tip of its trunk.
- Elephants can make sounds that are lower in pitch than humans can hear.

Discussion Circles:

1. When is a time you have shared something? What did you share?
2. What is something that is hard for a kid your age to share? What is something that is easy to share?
3. What are some reasons to share? What are some good things that happen when you share?
